Austin Middle School

Miss AMS

3490 Ridge Rd

Douglasville, GA 30134

What is Socktember?

SOCKTember is all about meeting a simple but important need in our communities—socks.

Local service organizations often have a high demand for this basic item, which makes socks a cost-effective and impactful way to support those in need.

It's also an opportunity to teach our contestants that giving doesn't have to be grand; it's about helping where there's a real need with a genuine desire to make a difference.
