Dress Sale

Are you participating in the Miss AMS 2026 pageant? Planning to attend a formal event or Prom? It's time to find the perfect dress! Join us for a dress sale where you can snag a stunning and glamorous dress (Jovani, MacDuggal, Marchesa, Rachel Allan, Tiffany, and Colors, are just a few that will be there) at a fraction of the retail price. Don't forget to invite your friends and family. Show your interest in the Facebook event by marking yourself as attending or interested, so we can estimate the number of attendees.

Sellers:

- Ensure your clean gowns are on a hanger.
- Racks are provided for the gowns.
- Take off your garment bag & hold on to it before placing dress on rack
- Please arrive with a tag attached (use an index card or similar)
Label them with your name, price*, and size (mention any alterations/defects).
Attach your payment details like Zelle, PayPal, or another method.
You can pin this information or tie it with a ribbon to a strap or sleeve.

Event Clarification:

Please be aware that sellers must remain at the event to handle their sales. The venue is only for selling purposes, and we will not be able to sell the dresses on your behalf. There is no cost to sell dresses or attend.

Buyers:

- You don't need to sell a dress to shop for one. (Full-length dresses are required for Pageant, there will be a poster of pageant rules, while shorter ones are suitable for formal events)
- We provide an open area backstage for trying on dresses. Please wear a sports bra and shorts for fittings.
- Remember that these dresses are owned by someone. Kindly return them to a hanger and hand them to an assistant (dressed in pink).
- **ALL SALES ARE FINAL.**

PAGEANT CONTESTANTS: You are required to attend. If you've purchased a dress already, now is the time to bring it in and show it to us. This is the ideal moment to address any questions you have about your dress while trying it on and even taking a stroll on stage in your gown. Several problems have surfaced only once the dress is on stage. Let's address these concerns now, before the dress rehearsal!

**Price- Dresses should be marked less than retail. Please do not put the price you paid. This is the price you want to sell it for. On average, re-sale dresses should be marked 55%-60%+ off.*
