

Shoes – Guidelines

Style & Choice

- Shoes may be **any height or style**.
-

Rehearsal Requirement

- Shoes must be brought to **all rehearsals**.
 - The **same shoes** must be worn on **pageant night**.
-

Timing

- Please have your shoes by the **first rehearsal**. (1st week of February 2027)
-

More Information

- If your shoes are not purchased yet, bring a pair **similar in height** to what you plan to wear until you purchase your actual pageant shoes.
 - Your actual shoes need to be purchased by the time your dress pictures are due, (last day to submit is 2/28/27) because it is important to get your length alterations done in the actual shoes you will wear.
- This helps you get comfortable with:
 - Walking
 - Dancing in heels
- Practicing in your shoes is **very important** and will be noticeable during the pageant if not done.
- This also gives you a chance to see if those shoes will work for you or you need a different style or heel height. (Changing your shoe height needs to be done prior to getting your alterations, so you do not need to get it altered in length, again.)
