

People's Choice – Overview

How It Works

- Votes are **\$1.00 each**.
 - Anyone can vote for their preferred contestant using her **name**.
 - Votes are purchased through **RevTrak**.
-

Voting Timeline

- Voting opens when **applications open**. Once your application is in you can start gathering votes.
 - Voting closes on **pageant day- during intermission**.
-

Purpose

- Allows **family and friends who cannot attend** to still show support.
 - Helps create a **fair opportunity for all contestants**, regardless of how many people attend in person.
-

Important Note

- This system ensures that **every contestant has an equal chance to win**, not just those with larger in-person support groups. They can ask for support from anyone they know, and they are able to give that support without being in attendance.
